### CONTRACTING COFFEE HOUR

*Drop in help for your government contracting questions!  
First Wednesday of the month, 7:30-9:00 am at KEDA*

KEDA's monthly Contracting Coffee Hour is an open forum for businesses with questions about contracting with the government. This is your opportunity to meet with contracting experts, network with other contractors, discuss common issues/problems, get your contracting questions answered, and identify support services available for contractors.

Stop in and have a donut with Mona and Mary Jo and get your questions answered!
